

Dear :

This letter will serve as notification that the _____ Treatment Plant will be a receiving site for septic tank wastewater hauled by your company. All discharges at the Plant must be in compliance with the SCDHEC Regulation 61-56.1 effective June 22, 1990, and with the Pickens County Wastewater Disposal and Pretreatment Systems, Ordinance 230; especially, Section 4.0, Prohibitions and Limitations on Wastewater Discharges, and Section 3.2, Tank Truck Hauler. Also, your company shall provide the following.

1. A copy of the SCDHEC License shall be sent to the Pickens County Public Service Commission office.
2. The log book of cleaning activities as required by SCDHEC shall remain accessible to the receiving site personnel upon request (maintained with truck upon delivery of waste).

Please note that noncompliance with the Regulation may result in Enforcement Action under Section 8, Enforcement. This may include suspension of service, and/or a civil penalty of up to \$2,000.00 per day.
